18th January 2019

Dear Parents,

Despite the chilly temperature outside, it has been a busy and successful week in school. In assemblies we have been thinking about the value of appreciation, remembering to say thank you for some of the little things we sometimes take for granted. I hope the children have been demonstrating this at home as well as they have in school!

Mr Smith

## Kids' Cup Champions!

Huge congratulations to our football team who, yesterday, won this year's 'Kids' Cup', repeating last year's amazing success. Competing against other regional league winners from across Preston, Chorley and South Ribble, the team finished 1st in their group before winning very tense penalty shoot-outs in both the semi-final and final against Euxton St. Mary's. The team will now represent Preston North End in the north of England finals for a chance to get to the national final at Wembley Stadium. Well done: Max, Ben G, Jordon, Frasier, Lewis, Charlie and Owen.

## Athletics

On Tuesday, Mr Ritchie led a team of 18 children from Years 3 and 4 in an indoor athletics competition at Lostock Hall Academy. There were some super performances in both running and field events, with the team finishing 4th overall. Well done to Max D, Max B, Maya, Joe, Martha and Isla from Year 3 and Charlie S, Seth, Ollie, Daniel, Isobel R, Maddie, Josie, Bella, Ned, Gilly, Rain and Aimee from Year 4.

## Absolut Futbol

A reminder that the after school golf club will begin next Monday.

## Mad Science

'Mad Science' will be delivering an assembly in school next week with an after school club to begin in the next few weeks. Sign up letters for this club will be sent home next week.

### Head Lice

A number of cases of head lice have been reported to school. Please remember to check your child's hair regularly for head lice and treat thoroughly when necessary. Thank you for your co-operation.
