WATER BOTTLES

Please ensure the water bottle your child brings into school is an appropriate size and not too big. Children do have the opportunity to refill their water using the classroom sink.

SAFETY

Please do not allow your children to walk across the staff car park, it is unsafe. Please use the path around the edge.

CARPARK

The car park is for staff only (with the exception of disabled bays). Car parking bays should be used and parking on the grass is prohibited.

The disabled bays are for those only with a blue badge.

BEHAVIOUR FOCUS

Since coming back to school after the summer holidays, I have been amazed by the behaviour I have seen around school. Children have clearly been making an effort to show that they are following the school rules. On Monday, Mrs Esa will be giving an important behaviour assembly and setting some expectations around our shared spaces such as the corridors. Next week, I will be on the lookout for children who are shining examples!

How can photos shape the world?

In the news this week

The Wildlife Photographer of the Year shortlist has recently been announced, with just 100 photos left in the competition, following a record-breaking 59,228 entries! The winners will be revealed on 8th October and displayed in the Natural History Museum in London. To celebrate its Diamond Jubilee (60 years) this year, the competition has also introduced a new Impact Award to recognise conservation successes and stories of hope.

Things to talk about at home ...

- Can you think of any wider benefits of people learning about the Wildlife Photographer of the Year competition?
- Do you enjoy photography? Do you prefer looking at or taking photos?
- Do you have a favourite photo? What is it of, and who took it?
